Caledonia Community Schools Community,

Please see the letter below being sent on behalf of the Caledonia Education Foundation (CEF).

CCS Administration

—

Dear Caledonia Community,

Let CEF help you with your year-end teacher and graduating senior gifts! Give a give that gives back!

Purchase a teacher gift for your child's teacher(s) and they will receive 50% of the value to use in their classroom for needed supplies. The remaining portion funds CEF grants that also benefit our district teachers to help with projects and programs throughout the year.

An engraved brick is a lasting gift that will commemorate your graduating senior's school career for years to come. Personalize your brick with 3 lines of 14 characters each that will be placed in the Caledonia Monument for years to come.

Each purchase comes with a personalized card to present to the teacher or senior. Purchase now to ensure time to deliver! Follow the links in the flyers to order.
