Re: Extended Learning Opportunity - HS Session 2

April 27, 2021

Dear Parent(s)/Guardian:

The US education system was not built to deal with extended shutdowns like those imposed by the COVID-19 pandemic. Teachers, administrators, and parents have worked hard to keep learning alive; nevertheless, there is a need for additional learning opportunities to fulfill the academic gaps. Caledonia Community Schools has put together extended learning opportunities to bridge the academic gaps students may be facing.

If your student is in need of credit recovery for one or more courses from either 1st or 2nd semester, they are eligible to participate in our **Extended Learning Session 2**. This session will run June 14-July 1, and July 12-15 from 8:00am - 12:00pm Monday - Thursday at Caledonia High School South Campus. Your student will have the opportunity to recover credit for **up to 2 courses** previously failed. Attendance is expected Monday through Thursday. If your student has an active IEP or 504, accommodations will be provided, as needed, during Extended Learning Opportunity sessions. Any questions or concerns regarding IEPs or 504s as they relate to this program can be directed to Melanie Heffner, our ESY-Extended Learning Program Coordinator at heffnerm@calschools.org.

Transportation, breakfast, and lunch will be provided for all students to help alleviate all barriers that might prevent students from attending.

Specific details about our spring and summer learning opportunities can be found on our [website](#). If you would like to sign your student up for this session, please fill out this [form](#). If you have any questions, please contact Megan Ley, our HS - Extended Learning Program Coordinator at leym@calschools.org.

Thank you,
