June 29, 2021

Dear Caledonia Community Schools Community:

We hope students are having a wonderful start to their summer and are getting out to enjoy something fun with their family! The district is excited to share the following information for the start of the 2021/2022 school year.

CCS 2021/2022 Information

- Parents/Legal guardians will have the choice when making the decision for their student(s) regarding facial coverings, Covid-19 testing, and vaccinations in the absence of any public health orders or MHSAA rules.
- Playground zones for elementary students will no longer be enforced and students may move freely with other classrooms in their grade level.
- Schools will not be quarantining students. All quarantines will continue to be issued by the student(s) local health department.

Should the district receive any public health orders from the Centers for Disease Control (CDC), Michigan Department of Health and Human Services (MDHHS), or Kent County Health Department (KCHD) adjustments may be necessary. Athletics will adhere to rules set forth by MDHHS and the Michigan High School Athletic Association (MHSAA).

Currently the State of Michigan is open without restrictions and the hope is to start the school year in the same fashion. Please join us in working together as one Caledonia Community Schools **FAMILY** to make the return to school a success and promote a healthy learning environment that will help keep our students and staff safe. As the school year gets closer watch for further information from your school building. We'd like to wish everyone a happy and safe Independence Day and we look forward to seeing students back in the buildings for the start of school on August 24, 2021.

Sincerely,

CCS Administration
