Dear Caledonia Community Schools community,

As a reminder, after tomorrow February 1, all photo and media forms not completed in PowerSchool will be marked as permission granted. Visit our [PowerSchool Support page](#) for step-by-step instructions, shall you need assistance.

If you do not want the district to automatically opt your student in for photo/media consent, please fill out your form before February 1 to choose from all the permission options. More information can be found in the [letter](#) that was sent to families on January 14, 2022. Thank you for your help in completing these important forms online.
