RE: Reminder - In-District Transfer Deadline March 15

March 12, 2021

Dear Parent(s) & Guardians:

We wanted to remind families that the deadline for Parents/Guardians of elementary students to request a transfer of a student to their boundary zone school or are seeking a transfer for any other reason is Monday, March 15 at 5:00 pm. Please see the Transfer Form instructions below or visit our website for more information.

Placement will occur on a first-come, first-served basis, dependent on seat availability, in the priority order listed below:

- Priority 1: Siblings who are attending separate buildings and wish to be reunited.
- Priority 2: Families who are attending a school outside of their home boundary and are seeking a transfer into their home boundary school zone.
- Priority 3: Families seeking an internal transfer for any other reason.

Parents/Guardians will be notified via email by April 1 of the status of their request. Approved transfers will take effect in August 2021. A map of Elementary Attendance Zones, a FAQ document, as well as instructions on filling out a transfer request can be found on the enrollment page of our website.
